

timer_set_frequency

```
graph LR; A[timer_set_frequency] --> B[util_get_MSB]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'timer_set_frequency'. The right box is gray with a black border and contains the text 'util_get_MSB'. The arrow points from the right side of the first box to the left side of the second box.

util_get_MSB
